HYDRO THERAPY

The designers at Eden Spas were given the exciting task of creating the ultimate massage spa, starting with a blank canvas and endless possibilities. With a “blue sky” approach, they considered the essential areas of the body that need focused massage for optimal relaxation and rejuvenation. Every detail was crafted to ensure the most effective, soothing experience possible. From head to toe, each massage element has been carefully designed to meet this ambitious goal, resulting in a truly exceptional spa experience tailored to provide complete physical relief and peace of mind.

eden ease Recliner

The Eden Ease Recliner from Eden Spas is designed to cradle your body in exceptional comfort. This luxurious lounger is equipped with advanced Hydro Therapy Jets strategically placed to soothe your feet, legs, arms, shoulders, back, and neck. Each jet is thoughtfully positioned to target key areas, providing a complete massage experience that leaves you feeling refreshed and relaxed. With the Eden Ease Recliner, you can enjoy the most comprehensive and comfortable spa lounging experience available. Perfectly tailored for ultimate relaxation.

SPA REtreat BAR

Introducing our perfect addition for your relaxation experience: our innovative bar table! This exceptional piece not only beautifies your spa environment but also elevates your lounging enjoyment. Constructed from high-quality, water-resistant materials, this bar table seamlessly integrates with your spa. It features space for six glasses, making it ideal for gatherings with friends or for a tranquil evening alone.
